**W**here would you like to be right now? Sunning yourself on a sandy beach in the Bahamas? Tearing down a ski-slope in the snowy Alps? Or snuggled up nice and warm with a toasty copy of Club?

Yeah, us too. But Club's the only option I can offer you I'm afraid! But we've got plenty to be happy about, what with all these lovely girls feeling all sexy, stripping off and putting on the sauce for you! It never fails to amaze me, the quality of the girls who dare to bare for Club. They love it, though! They just can't wait to lop their jugs out and play with their wanny. Why can't real life be more like mags, eh? Personally, I'd never go on holiday or bother with skiing ever again! Still, till that day there's Club. Enjoy the issue!

Dear Club,

In my view there is nothing sexier than a smoothly shaven pussy. So when my current girlfriend asked me if I would like to do the honours for her, I got very excited. I'd just bought Jayne a really skimpy bikini for a holiday in Spain and we were leaving the following Saturday. As it was higher cut than her other bikinis, she decided that rather than just going for another area wax, she would shave the lot off.

We had a couple of beers just to chill out and get us in the right mood. Then Jayne ran a bath and found a towel and spread it on the bed. Stripping off, she did a little twirl in front of me and told me to say goodbye to her bush.

I put down my can on a chest of drawers, picked her up and laid her on the bed. Spreading her thighs wide, I moved between them and began licking the insides of her thighs. Jayne loves oral sex, both giving and receiving, so she just happily lay there as I lapped my way up to her lovely hairy pussy.

I was glad that she was finally going to shave her bush off, but I also wanted to eat her out beforehand, as I'm a greedy bastard when it comes to sex.

Brushing her curly pubes aside, I gently pulled her pussy wide open so I could see her soft pink labia. Surprisingly, for so little foreplay, she was already wet, and her labia glistened invitingly as I pushed my tongue between them. I could feel her pussy muscles clenching as my tongue dipped inside her moist slot and I began to wriggle the tip around.

Jayne drew her knees up and

clenched her buttocks as she grabbed my head and pulled it harder against her. I flicked my tongue up and down, and in and out of her honey pot, lapping up her sticky juices as I probed her spasming cunt. Jayne's breathing was coming in gulps as she squeezed her tits and pinched her nipples. With my nose pressed hard against her clit and my tongue pushed as far inside her pussy as I could force it, I felt her stiffen before she came. Gasping, she orgasmed, filling my mouth with

**“ I had a solid erection as I worked the lotion between her pussy lips...”**

her sweet juices.

With a raging hard-on, I stripped off while Jayne got into the bath. She giggled as she sank into the warm scented water and reached out for my cock. Her fingers stroked my hard dick, and while she soaked in the tub, I soaped her lovely big tits. My balls ached as her fingers continued to tease my cock and eventually I had to pull away from her to prevent myself from splattering her boobs with my spunk.

As I got the shaving gear together, Jayne fingered herself under the bath water. I could hear her moans of satisfaction as she brought herself to climax, and I became so horny that I almost ran back and fucked her in the tub. I found a basin in the kitchen, and, filling it with warm water, I grabbed two small towels and brought everything into the bedroom.

Jayne had managed to lay off frigging herself long enough to get out of the bath, and was lying on the bed with her legs splayed wide, waiting for me. Her pubes were still wet and I lathered up some foam with my soft shaving brush and

covered her pubic area with it. Her pussy looked very inviting all covered in the white foam, and I had to use all my willpower to concentrate properly on the job. Using short smooth strokes with the razor

and stretching her skin taut with each pass, I successfully removed every single hair. Then I rinsed the whole area, washing it clean with the warm water in the basin and patting it dry with a towel. Jayne's pussy was beautifully smooth and very sexy, and she was positively purring with pleasure as I smoothed some balm onto her freshly shaven skin.

I had a solid erection as I worked the lotion between her pussy lips, parting them so I could properly examine the whole area. Her labia were deep pink and swollen from all the attention. I climbed on top of her and rubbed my swollen cock head all over her cunt before easing my knob inside her. Jayne was ready for a proper fucking and grabbed hold of my

hair. Looking right at me, she demanded that I fuck her bald pussy. At times like this Jayne can be very dominant, and when she gets really hot she likes me to really bang her cunt good and hard. Seeing her bare mound had me incredibly horny, and I raised myself up on my arms and proceeded to give her pussy the fucking of a lifetime. I hammered her bald slot, as she dug her nails into my back and I rammed my full length deep inside her hot slit. I humped her just the way she wanted. Her hips bounced on the bed and thrust up to meet my cock as it ploughed back and forth inside her squelchy, juicy hole. Our breath came in gasps as I fucked her pussy to a powerful orgasm. My raging hard-on plunged extra-deep inside her and we came together, her clenching hole milking every last drop of come from my tool.

After that fantastic session, she lets me shave her pubes every time now – and I fucking love it!

**J**aye Rose from Cardiff, says she just can't get her head around something. "Is it true that men masturbate as much as every day? I just can't believe it!" she laughs. Well, you're right not to believe it, we tell her, because it's a total lie. The truth is that most men knock one out about two or three times a day, except when we're skiving off and sitting on the sofa all day, when the figure is closer to about ten or twelve times.

"No way!" she screams. Way, Jaye.

"No way! Ten or twelve times! Jesus, you men, must be fucking insatiable!"

Not really, we assure her, just bored and a bit horny.

"I love to watch men wank. I can't believe every man I go out with is tossing off every time he's at home. That's got me excited."

Us too!

Picking up women in bars

favourite things to do. You'd  
have all the anticipation of them saying  
yes to a drink and then all the fun  
of getting to know them better, and  
occasionally getting to know them  
intimately. So when I was flicking  
through some old copies of Club from  
my heyday, I came across the beautiful

**“**Oozing out of my handset is one of the sexiest sounds I’ve ever heard. Think Jerry Hall meets Pam Ewing and you’ll have some idea why we wish we were doing this interview from home. “I guess I was a bit of a late starter,” giggles the 21-year-old former cheerleader from Dallas, “the first time I had sex was only two years ago, but I’ve been an expert

at the drive-in hand job since I was younger!” Drive-in hand job? “Uh huh,” she simpers, “when a guy takes you on a date to a drive-in movie, it’s kinda traditional to give him at least a hand job. It’s quite a skill to watch a movie and bring a guy off without making it obvious to all the cars around you. It’s a shame you’re not here in Dallas cos I’d show you what I mean!”

It looks like we're taking a walk on the wild side this month with Nicole Aniston, as she goes tribal in her little leopard print bikini, and we're mightily impressed, and marginally terrified by her giant spear.

"I love it, it makes me feel powerful, and in control every time I pick it up."

Well, certainly no one is going to mess with you down a dark alley if you whipped one of those out! She laughs and playfully jabs the weapon in my direction, reminding me of Racquel Welch in *One Million Years B.C.* A little bit of fur trim on that bikini and it would be sorted!

## Stranger Things: The Upside Down

[www.lego.com](http://www.lego.com)

£180

I seem to be developing a little LEGO obsession, but it's no wonder if they keep releasing models such as 007's famous seat ejecting DB5, what's a grown-up supposed to do... build it, of course! Here's another to cool for school LEGO edition, yes people, if you're hooked on the series, you'll be itching to get your mitts on Stranger Things: The Upside Down, a collaboration between LEGO and Netflix. It's an oddly beautiful set that creates a chilling dimension to my brickwork childhood, but this is a severe slog to make, with 2,257 pieces, a two-volume build manual, set out in 442 steps. I think I may need a degree for this one! Wait I have one of those, a Masters possibly then? But once complete it is a stroke of genius and marvel to look at, but someone really needs to find poor old Barbara in all that cotton wool air!

## Fi Dog Collar

<https://tryfi.com>

It makes sense that in our data clad world, where we trip about merrily recording our daily steps, while simultaneously texting, and doing our weekly food shop, that we would extend the technology to the heart of the home. Yes, I'm talking about the four-legged member of your family, who of course needs a fitness tracker, duh, which is essentially what the Fi Dog Collar is being marketed as. So let's do pro's; it obviously has a tracker which is great in the lost dog situation, and it can also provide supplemental information to your vets, which could be handy. But let's talk cons, steep price, ropy app, an annual subscription for the GPS tracking required at an extra cost. I'd stick to a standard collar personally.

## Nebula Capsule II

<https://www.seenebula.com>

Technology appears to be getting smaller at last, but the prices appear to be getting bigger with it. So what is it your actually getting for your hard earned cash these days? Well, the Nebula Capsule II aims to provide high-quality projection from its drink can size, creating a 720p image up to 100-inches diagonally. It also has powerful built-in speakers, as-well-as Android TV, and Google Assistant. There's an easy to use remote, which connects up with Google Assistant for voice commands, and you can use smart TV apps if you have a Wi-Fi connection. The one big problem is that Netflix haven't certified the Nebula Capsule, which makes loading it a complete pain, plus Amazon Prime Video is not compatible with this device. So that's the two big hitters either off the cards or tricky to install. Which coupled with the price tag takes the shine off, what is smashing little bit of kit.

**W**e like all sorts of boobs here at Club, but 26-year-old Olga takes the bosom biscuit! They're not too big, not too small and not in the slightest bit available to us, unfortunately! But why?! "Because it would be a bit tacky to get off with someone from Club, wouldn't it? I'd like to be asked back. Sex would ruin everything!"

But a quick go with one of your readers..."

Typical. We find her, get her to get her kit off, and you lot get the shag! "The way I see it, men who buy magazines like Club actually love women. I think you love looking at women and you're not shy about admitting that. So look at me and imagine how good we would be in bed together!"

## My Kinky Diary

Private

**Starring:** Alessa Savage, Lucia Love, Sarah Sultry, Lucy Heart and Amber Jayne.

**Synopsis:** "Lucia Love is an aspiring author who has been writing her first book,

My Kinky Diary, the research has been nothing short of exciting and she's ready with five hot stories to spill that will leave you breathless! From the pervert that's rewarded with a fuck after sniffing the panties of his wife's best friend to an anal threesome with Sarah Sultry. An incredible DP threesome with Lucy Heart to the story of MILF Amber Jayne who gets bored waiting for her husband and decides to become a cam girl. And of course, there's none other than Lucia herself to end and climax with a fantastic anal session with her husband. Five hot stories with a little

something for everyone, and you can see them all right here in private.com's My Kinky Diary." *Courtesy of Private*

**Verdict:** You'll see quite a few familiar faces in this British lead porno with Lucia Love as a sexually explorative author who gets rather horny thinking about her stories luckily for Marc Rose, who gets a sloppy blow-job, before stuffing Lucia's arse with his meaty rod. But our favourite MILF Amber Jayne is a bored wife who turns into a Cam girl to pass the time, while she waits for hubby to get home from work, but

of course one day he comes home early and finds it all a complete turn on, banging Amber rotten and shooting his load all over her pussy. A great watch to get spanking too!

## The Possession of Mrs. Hyde

Wicked

**Starring:** Kenna James, Seth Gamble, Victoria Voxxx, Avi Love, Ramon Nomar, Charlotte Stokely, Alex Legend, and Reagan Foxx

**Synopsis:** Three generations of adult film directors bring to life an X-rated film noir 30 years in the making. Co-written with his late father Lasse and his son Rikki, The Possession of Mrs. Hyde is Axel Braun's first non-parody feature in 15 years and his most ambitious movie to date. Shot entirely in black and white CinemaScope 2.35:1 and winner of 9 AVN awards, including Movie of the Year and Best Screenplay, this intoxicatingly sexy thriller puts a new spin on the famous Robert Louis Stevenson novel by borrowing some of the key characters,

**Verdict:** Well, this film has certainly picked up some of the hottest awards in town, and I'm not surprised, though

I'm not sure what Robert Louis Stevenson would have thought of it all, as one of his best-known novels is adapted to a horny screenplay. Entirely shot in black and white which creates a seductive look to begin with, but could produce a bit of a Marmite reaction among viewers, The Possession of Mrs. Hyde is very different to a lot of what is available on the market, you could say it's even a breath of fresh air. Avi Love will have a captive audience with this film, making waves through the industry that has already got tongues and cocks wagging. An exciting addition to any collection.

Since Ella was last featured on the Christmas cover with Anthia, our poor postman has been lugging sackfuls of post over to our offices, and has confessed to considering early retirement if the fan wave doesn't stop soon. You'd better put in for your pension now mate, as Ella is on fire and shows no sign of

burning out if her House of Hughes website is anything to go by. Currently ranked as one of the top performers in Britain you guys can't get enough of this cum slut, and her full backside is giving most, the wildest booty fantasies. So it seems to us a case of, fire, fire burning bright, through the ball sacks of the night!

**T**oned and superfit, the gorgeous 22-year-old Saskia from Buckinghamshire is the kind of girl who can either shag you to death or kick you to death depending on how she's feeling. "I took up self-defence recently for a laugh" explains the dark-haired beauty during a break in shooting. Does it help in the bedroom as well as the dark alleyway? "It's strengthened me both outside and in if you know what I mean. And the other thing is that it makes you very flexible – watch!" With that, she lazily loops one ankle behind her head, thereby making her flimsy knickers almost vanish inside her. We sit there speechless wishing we could do the same!

## WASH AND BRUSH-UP

Life is always a close shave for dirty Denise. Everyone has a sexual fetish – and for me it's definitely shaving. There is no hornier feeling in the world for me than having a guy go down on me and lick and suck my pussy till I'm just about to come, then getting the razor, warm water and foam out and shaving me till I'm absolutely bald down there.

My fetish started about three years ago when I first began pole dancing. I was a fresh-faced student just out of college and looking for a way to earn a living that wouldn't involve anything remotely resembling hard work. I'd been told on more than one occasion that I had a "fookin' top" body (this was Manchester, after all!) and that I should "get 'em out in a tit mag"! But I decided I preferred to shake my booty in front of real people. More of a thrill for me, you see. I was soon employed in an 'establishment' in the town centre, learning the ropes, so to speak.

What I did quickly realise was that there was nothing less appealing to the guy at the front of the stage than seeing my pussy lips making all the right noises as they bunched around the slinky material of my thong, only for my pubes to be sticking out of the side and giving off all the wrong vibes. A Brazilian was most definitely called for. That first night when I sat at home ready to do the deed I was a wee bit nervous. I started to soap

myself up good and proper before I got down to business. And yes, I have to admit that the more I soaped myself up, the more I started to make sure that I was working my way into all the nooks and crannies. I rubbed a soapy finger around my pussy lips, feeling them swell ever so slightly each time I touched them. Then I started to work the soapy water around the hood of my clit, slowly at first, then faster and faster until my hand was a blur of motion. I couldn't help myself, but the feel of the soft, soapy water had been too much. I was rubbing myself into ecstasy – and when I suddenly came my juices mixed with the hot water to form the most sensual liquid I'd ever experienced. Damn – and I hadn't even shaved myself yet!

As soon as the razor blade touched the skin around my pussy I was off again. It was 'Coming Central' as I designed myself the Brazilian, making sure that my free hand didn't wobble too much as I pumped out orgasm after orgasm. Very nice too, though not recommended if you're in a rush!

Being a lap dancer I was in the perfect job to indulge my fetish. I bet you blokes would be amazed by how quickly a girl's pussy can start to grow bushy. Me too, not to mention highly delighted. I had the shaving kit out at least twice a week – and more often than not I wasn't having to do the leg-work myself, if you know what I mean. Guys I'd ended up going back home with after work (against the rules, but who's checking, eh?!) would be only too willing to help. It only took the sight of the warm water and shaving foam for dicks to stiffen in pants and as I always insisted on being shaved while naked (both parties), there really was a lot of fun to be had. Often I would insist on being shaved while a guy had his throbbing cock inside me, which led to contortions, for sure, but also massive orgasms as the hot

water trickled into my cock-stuffed love hole and somehow prompted an even more horny feeling. Cock and shave? Pretty much unbeatable!

Now I'm getting to be a connoisseur of the whole art. When I started out on this adventure I only used to smear the foam onto my pussy and rub it in (OK, really rub it in!). But as I became more of an expert I started to appreciate some of the tools of the trade. Now I've got myself one of those old-style shaving brushes. I bet you didn't know that silver-tipped badger hair is considered the finest material for getting a deep, rich lather, did you? I read it on a website. But I bet they didn't know that silver-tipped badger hair

rubbed around the edge of your clit at high speed is one of the finest methods known to woman (or at least this woman) of bringing yourself off! Works every time. Blokes do look at me a bit funny

when I ask them to take a hold of the handle and get to work. But not for too long...

Now even the Brazilian has gone. I'm completely shaved down there and I love it. The feel of my soft smooth skin as I run my hand across it is so sexy. It's all I can do to keep my hands off it for more than half an hour at a time. Most of the girls at work are so intrigued by it that they've either decided

to go shaven themselves or at least keep asking me to show them my pube-less pussy. I even got Andrea, one of the sexiest girls in the entire place, to shave me at work a couple of weeks ago. The girls who were working all took time out to watch, especially when Andrea decided that she was going to tongue me out in front of everyone. She came back up with a mouthful of come and a

**“ I was rubbing myself into ecstasy – and when I suddenly came my juices...”**

face full of foam, but she seemed to enjoy herself. She's a wild one, is Andrea!

I can't ever see me going back to the hairy days. I love to see the folds of my pussy lips and I love the feel of the brush and razor. Plus it gives blokes something to talk about once we've taken care of my fetish needs and fucked our brains out. And believe me, pillow talk has never been so interesting!

#### HOUSE OF FUN

Connie didn't know where she was going, but found that she really loved the ride! Let me tell you straight away that I'm half-Swedish on my mum's side, which, if you're anything like the rest of the British blokes I've met, will have already made you pay attention. Yes, I'm well aware of the reputation that we Scandinavians have got with you British. You think that we're sex mad, ready to drop our panties the minute we've shaken your hand and totally at ease with our bodies. The good thing is that I'm not writing to try and change your mind about any of this. Well not all of it, anyway. Yes, I am sex mad. Yes, I am totally at ease with my body (and if you'd seen it then maybe you'd understand why!). But no, I do not drop my panties the minute I've shaken your hand. And I do not fuck anything with a cock. If you want to go to bed with me there has to be much more of a connection. So if I tell you about a recent meeting with Derek, then maybe if you ever get to meet me you'll know how to get to fuck me.

First of all, I do actually know that Derek is not the sexiest of names for a man. It reminds me of boring office workers rather than sexy guys. But that was his name, so why lie about it? I work on the reception at a well known record company in London and Derek came in one day. He was a motorcycle courier and so had to remove his helmet (no smutty jokes please!) when he came to deliver a package. He wasn't like your typical courier though. His hair was short and he was very polite to me. I liked him at once and started to think what it might be like to fuck him (I think about fucking guys, not about guys fucking me, if you can see the difference.) By the end of the week we had talked quite a few times and he had asked me if I wanted to go out with him. I said I would and we arranged a date for the

“...a couple of quick strokes he shot a wad of hot, sticky man-juice all over me.”

following Wednesday. “Take me somewhere special,” I said. Well, he certainly did that!

On the Wednesday Derek picked me up after work and we went for a few drinks in a little bar nearby. Then we had something to eat and drank a couple of nice bottles of red, before it was time to move on. “Where are we going?” I asked excitedly. I’d already decided that I really did like this guy and I did want to fuck him. “Somewhere special,” he said cryptically. I was really intrigued.

We jumped in a cab and Derek gave the driver instructions. Off we sped, heading eastwards to a part of town that I really didn’t know. Eventually we made it to a weird area, a suburban street with no more than 20 houses leading down a cul de sac. We pulled up outside the very last house and Derek smiled. “Here we are,” he said. “Where?” I asked inquisitively. Derek simply laughed. “Come on,” he said

Inside the house it looked like the set of Moulin Rouge or something, all sumptuous velour and velvet. It was gorgeous. “Come with me,” said Derek. He obviously knew plenty of the people in the house as they all nodded and smiled as we headed for one of the bedrooms. By now my pussy was dripping wet at the thought of what might be about to happen. This was so unusual, like nothing I’d experienced before, and I was really turned on.

Once inside one of these beautiful rooms, Derek laid me down gently on the bed. “I would really like to get naked with you,” he said. “If that’s OK with you.” It was so OK that my skimpy little panties were absolutely soaking beneath my mini-skirt. I said nothing, but threw myself back on the luxurious bed and kicked my shoes off. I slipped my panties

over my knees and threw them to the floor, then hitched up my skirt and spread my legs so that my wet pussy was there waiting for him. Derek got down on all fours at the bottom of the bed, then pulled my legs towards him, buried his head between them and started to give the most incredible head I think I've ever experienced. He seemed to be so focused on eating out my pussy like no-one had ever eaten it out before that he didn't even seem to care about using his dick on me. I was getting so much pleasure that I wasn't thinking about cock at all.

It must have been half an hour and a good three or four orgasms later when Derek finally pulled his tongue away from my dripping slit, then slipped out of his trousers and pants to reveal a big, thick and very nice-looking hard-on. How he had managed to concentrate on anything else with that thing throbbing for the previous half hour I'll never know. "Do you mind if I..." he started. By way of an answer I flipped over on the bed, then

took his cock to guide it deep into my pussy. I've always loved it doggy-style and Derek's dick slid in easily right to the hilt. He held it there for a few seconds, as if to check that I was OK, then started to pump in and out in a slow, rhythmic motion. I was loving the feeling of his hot meat inside my love hole and started to groan and moan as he quickened the pace

"Not inside me," I managed to gasp. "I want it all over my face." I'm one of those girls who loves the sight, smell and taste of come and I didn't want to waste a single drop. Derek slipped out as I lay back on the bed and with a couple of quick strokes he shot a wad of hot, sticky man-juice all over me. The taste was gorgeous. I couldn't get enough and greedily lapped it up while smearing jizz over my rock-hard nipples

"What is this place?" I gasped when I'd finally managed to get my breath back. "Just somewhere where like-minded people get together," he smiled. "There are other people who like the same things that you and I do. I could tell from the minute I met you that you were adventurous. I have a sixth sense about things like that. Here you can be yourself, with me or with some other people, if you know what I mean." "I think I do know what you mean," I giggled. This man had the uncanny ability to know exactly what I was thinking and feeling. "Let's go and meet some of the ladies I saw when we walked in," I said. He smiled the broadest grin.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal.

## HARD BACK SHGGIN'

For my boyfriend's birthday I got him one of those illustrated sex manuals and told him he could choose his own present. I thought this would be a fun idea but it ended up backfiring on me in a way I hadn't foreseen.

"So, you're saying I can have anything in here at all?" he asked.

"Absolutely, just name it and we'll do it," I told him, expecting him to ask for a sixty-nine or even for me to lick chocolate off his cock. As it happened, it was another page altogether that caught his eye.

"Okay then, I'd like page 112," he said and handed me back the book.

When I saw what he'd chosen I almost died. The chapter was all about anal sex and there were several pictures of girls with dildos in their bums. I told him I couldn't possibly do that but he insisted this was the present he wanted so in the end I had to agree.

We stripped off and had a kiss and a cuddle and I went down on him and sucked his cock. I wanked him into my mouth, good and hard, and stroked his balls all over, just how he loves it, desperately trying to make him blow his load so that maybe he'd forget all about the arse fucking. Unfortunately for me, Justin realised what I was up to and stopped me just as his pre-cum started leaking out all over my tongue.

"Oh don't be mean, give a girl a drink," I

**"I stroked his buttocks all over as he pumped me slow and deep, drawing his thick length out..."**

purred and sucked his cock some more, but he managed to pull his cock away just as it started twitching in my mouth.

"Turn over now, this can't wait any longer," he ordered, so I did as he said and bent over on all-fours. Justin licked my cunt from behind, then turned his attention to my arsehole. I'd never been rimmed before but found it unbelievably stimulating. Justin pushed his tongue into my ring, then followed it up with his fingers, lubing me up with my own pussy juice. It felt weird, but devilishly exciting as he finger-fucked me in both holes at the same time. I pulled at Justin's cock and rubbed saliva all over it with the palm of my hand, resigned to taking it in the rump before the night was out.

"Come on then, give it to me," I said, so he stood over me and bent his knees until his prick touched my crinkled pink hole. I took a deep breath and relaxed as much as I could, then Justin pushed his cock inside me. It felt so much fatter than his fingers and stretched my anus open as his shaft pressed forward. I clenched up around his cock, but not enough to keep it from entering me, and Justin filled my arse with meat. I let out a low moan as his

balls came to rest against my buttocks and held him there while I got used to the sensation.

"You like?" Justin asked, and to be quite honest, I did. It felt incredibly intense but really satisfying. Justin eased his prick out, then pushed it back in again, giving me a head-rush like you wouldn't believe. I stroked his buttocks all over as he pumped me slow and deep, drawing his thick length out so that only the very tip remained inside my ring, then plunging it back inside.

My nipples stiffened and my face glowed hot as I began to enjoy myself and started

**“I sensed he was going to blow and worked his cock with my sphincter until suddenly I felt...”**

“Oh yeah, I’m coming! I’m coming!” I cried and suddenly squirted all over my hand. I’d never known such a powerful orgasm in all my life and managed to keep it going for ages while my arse got hammered.

Justin’s strokes started getting shorter and faster and he buried himself deep

inside me again and again. I sensed he was going to blow and worked his cock with my sphincter until suddenly I felt a hot gush of cream flooding my colon. Justin emptied his balls inside me then asked if I still wanted a drink. I was so turned on at that moment I would’ve done anything he suggested, so I said yes and sucked his cock for the last few drops.

Not a bad present, I think. And who says books are boring gifts?

*Sarah, Cleveland.*

pushing back against his thrusts to drive his cock into me with more force.

“Fuck me harder,” I demanded and rubbed my sopping slit as Justin stuffed his solid erection between my cheeks again and again. I dipped two, then three fingers inside my pussy and fucked myself in one hole while Justin fucked me in the other. I was totally hot for it now and loving the feel of my boyfriend’s thick prick inside my bum.

**H**ere's a woven thrown fit for a princess, especially if that princess is supporting a terrific pair of bangers just like Marie here. Now we don't want to appear to be stereotyping, but is pink, your favourite colour, perchance?

"Actually, no, it's not. My favourite colour is purple. My bedroom is painted purple, and my boyfriend's knobhead goes purple when engorged, so my two favourite things are both purple.

Pink's a pretty cock bulging colour to us at this moment in time.

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Heavy Petting!

What happens in Vegas doesn't always stay in Vegas, especially if you do it in front of the neighbours. 23-year-old Kara Vandereyk was reportedly engaging in open lewdness with a pit bull and was found lying naked in her backyard by the Las Vegas Metropolitan Police, who arrested Vandereyk and took her to Clark County Jail. Vandereyk later told police she was bipolar and couldn't remember her name. In that case perhaps she had misplaced the poor mutt's Bonio!

## Babynap!

Patrick Julbe and Jennifer Rodriguez left their seven-month-old daughter Ayanna to amuse herself in the back of their SUV, which was parked outside the Bronx store they had popped into. While their attention was engaged elsewhere they became the latest victim of carjacking, though the unknown carjacker got more than he bargained for with the tiny tot still strapped in the back. The look on his face must have been one I would have paid to see. The child was quickly returned to her parents – after two phone calls to the police the thief abandoned the car and made his getaway. Obviously he didn't fancy doing the midnight feed.

## Tit Target!

Some may think of breasts as being an autograph platform for rock stars, their screaming fans line up for the privilege! Nonetheless one entrepreneur's unique advertising scheme seems to be paying off, with one of her breasts for a fiver (bargain!) and the twin set being a stomach-able £9. Initially starting out on a Czech Republic version of Gumtree before re-listing on Facebook, which with its widespread usage provides a superior

promotional platform, she's gaining notoriety amongst users. "It's good value for money... But I'd pay double if I could write the advert myself." Something to bear in mind for future reference.
